ABOVE VIEW INC. INTRODUCES AN ARTISAN CEILING TILE FOR 9/16" COMMERCIAL GRID FEATURE MADE IN MILWAUKEE

Above View Inc. introduces its first tile for 9/16" grid. The **STEP UP 1.2.3 FOR 9/16" CEILING TILE** was designed for the more refined commercial grid. This clean geometric tile offers a bold contemporary look and adds dimension to the ceiling plane. View Step Up 1.2.3 for 9/16" Grid, [TL-0091](#) at aboveview.com.

For over 30 years Above View has offered dozens of 2' x 2' tile designs for 15/16" grid. Now Above View will produce any of our standard tiles for 9/16" grid upon request and fresh designs for 9/16" grid will be coming soon. Headquartered in Milwaukee, WI, Above View Inc. is a favorite source for 2' x 2' ornamental ceiling tile. Above View plaster and glass fiber tiles outlast other inferior materials and have a UL Class A fire rating. You can find Above View ceiling tiles in hotels, casinos, restaurants, government buildings, stadiums and convention centers around the world.
