ARTISAN CEILING TILES

Featured Project: Marriott Knoxville

A remarkable renovation of the decades-old Holiday Inn into the Marriott Knoxville Downtown is accentuated by an impressive ceiling. [Pyramid 4](#) and [Pyramid Utility](#) Ceiling Tiles transform the hotel lobby into a modern space.

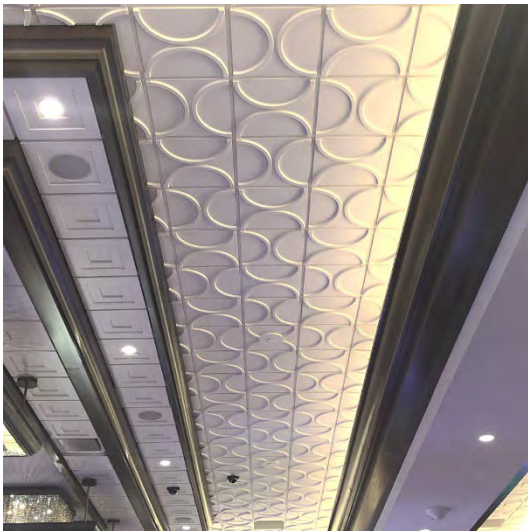

Located at the iconic World's Fair Park, this intriguing space is an invitation to come in and explore. Specified by Stonehill Taylor in New York.

Featured Product: Cloverleaf Ceiling Tiles

The circular motif of the [Cloverleaf Ceiling Tile](#) and its companion [Cloverleaf Flat Center Ceiling Tile](#) makes for a spectacular signature ceiling. Specify unique patterns depending on tile orientation in the grid.

Fragments of circles make arcing gestures with [Cloverleaf Ceiling Tile](#) and are accompanied by the geometric [Step Up 1.2.3 Ceiling Tile](#) at Caesar's Horseshoe Casino in Baltimore, MD.

[Cloverleaf Flat Center Ceiling Tiles](#) are precisely arranged in a linear pattern at Garza Blanca Resort in Los Cabos, Mexico. The curved tegular design reflects similar elements in the space.
