ARTISAN CEILING TILES

## Featured Project: theMART

A fresh installation at theMART!

A fifth floor office renovation features [Grooved Quarter Pyramid Ceiling Tile](#) (shown above) in a dark oak faux finish. This contemporary kitchen space pops with geometric flair, accentuated by each grouping of four tiles, for a 7" deep pyramid. Specified by Eastlake Studio.

A drop ceiling with [Art Deco Coffer Ceiling Tiles](#) maximizes the office space, clearly defining an open area from a conference room. The stepped tile design conveys the original Merchandise Mart's 1930's Art Deco style.
