ARTISAN CEILING TILES

## Sphere of Influence

A circle is a universal symbol with notions of infinity, unity and timelessness. The classic symmetry of [Cloverleaf Ceiling Tile](#) and its companion [Cloverleaf Flat Center Ceiling Tile](#) bring these elements together for spectacular signature ceilings. Each space below features unique patterns depending on how the tiles are oriented in the grid.

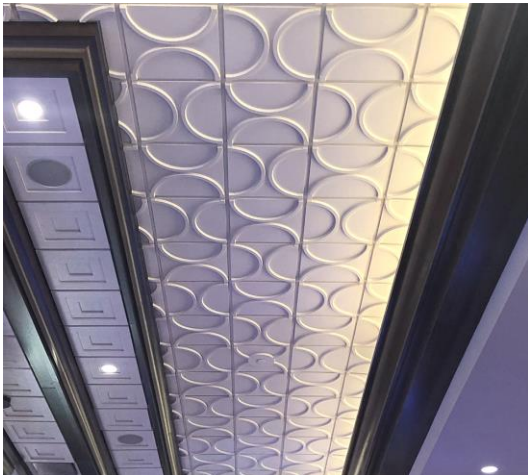

## Cloverleaf Patterns

Eye-catching patterns elevate the space over Harrah's Casino Lobby with [Cloverleaf Ceiling Tile](#) and [Cloverleaf Flat Center Ceiling Tile](#) (shown above).

Curved perimeters complement the tile motif and frame the Numb Bar at Harrah's casino. Each utility is seamlessly integrated into the ceiling plane while maintaining the integrity of the original design (left).

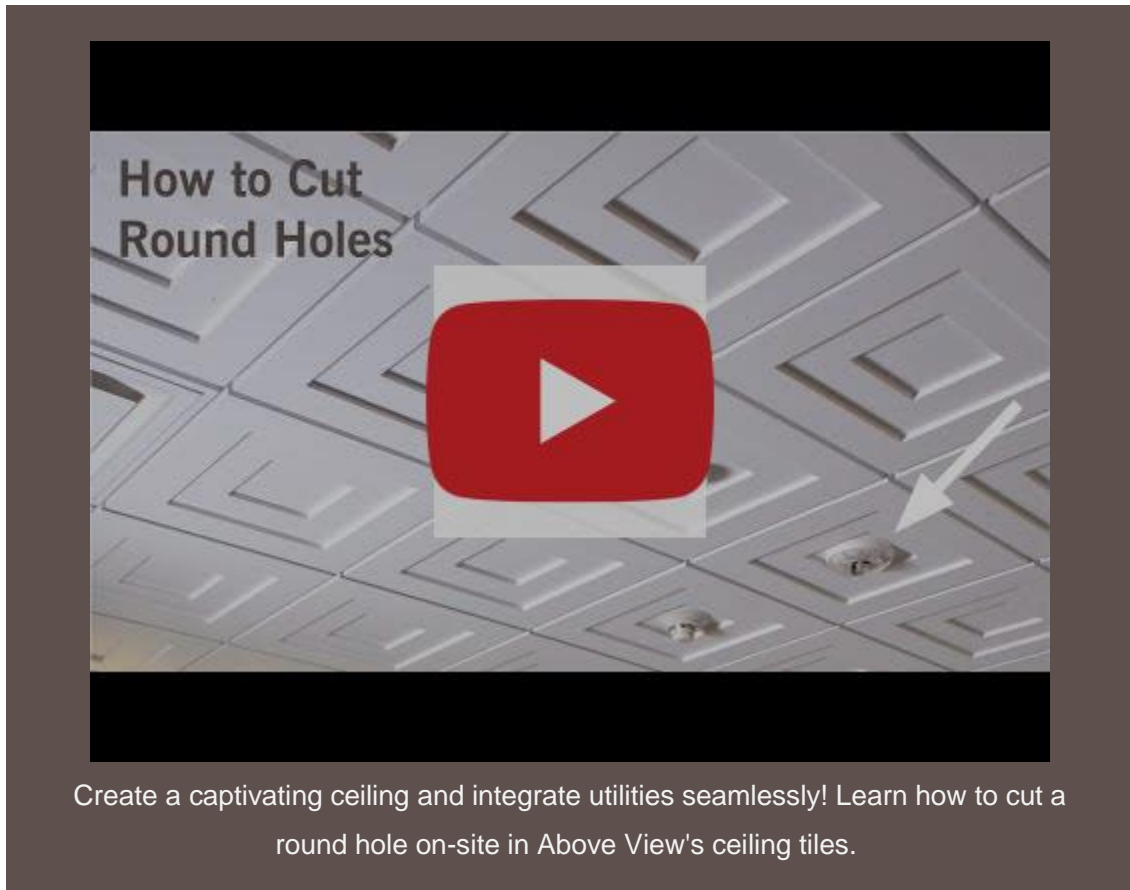

Fragments of circles make arcing gestures with [Cloverleaf Ceiling Tile](#) and are accompanied by the geometric [Step Up 1.2.3 Ceiling Tile](#) at Caesar's Horseshoe Casino in Baltimore, MD.

[Cloverleaf Flat Center Ceiling Tiles](#) are precisely arranged in a linear pattern at Garza Blanca Resort in Los Cabos, Mexico. The curved tegular design reflects circular elements in the space.
