

GRID GUIDE

Suggested T-Bar Ceiling Suspension Systems

15/16" Grid

Brand	Product Name	Source	Comments
Armstrong	Prelude XL 15/16" Exposed Tee	Link	See datasheet. Intermediate or heavy duty. Above View's standard white matches Armstrong's standard white grid.
USG	Donn® Brand DX®/DXL™ 15/16" Acoustical Suspension System	Link	Intermediate or heavy duty. USG's most widely used grid. See datasheet.
Rockfon	Chicago Metallic 1200 15/16"	Link	Intermediate or heavy duty. See datasheet.
CertainTeed	15/16" EZ Stab Classic System	Link	Intermediate or heavy duty. See datasheet.

9/16" Grid

Brand	Product Name	Source	Comments
Armstrong	Suprafine XL 9/16" Exposed Tee	Link	See datasheet. Intermediate or heavy duty. Above View's standard white matches Armstrong's standard white grid
USG	Donn® Brand Centricitee™ DXT™/DXLT™ 9/16" Acoustical Suspension System	Link	Intermediate or heavy duty. See datasheet.
Rockfon	Chicago Metallic 4000 Tempra 9/16"	Link	Intermediate or Heavy duty. See datasheet.
CertainTeed	9/16" EZ Stab Elite Narrow System	Link	Intermediate or heavy duty. See datasheet.
