ARTISAN CEILING TILES

## Featured Project: Woodbury Office

[Pyramid 4](#) and [Pyramid Utility](#) ceiling tiles bring geometric flair to this bright, modern office lunchroom. Salt Lake City based Woodbury Corporation is one of the oldest and most respected commercial real estate companies in the Intermountain West.

The utility tiles have a horizontal plane that allows light fixtures to be installed without disrupting the pattern in the grid.

A dark blue border adds extra definition and interest to the space.
