ARTISAN CEILING TILES

NEWS AND VIEWS

Featured Product: Cloverleaf Series

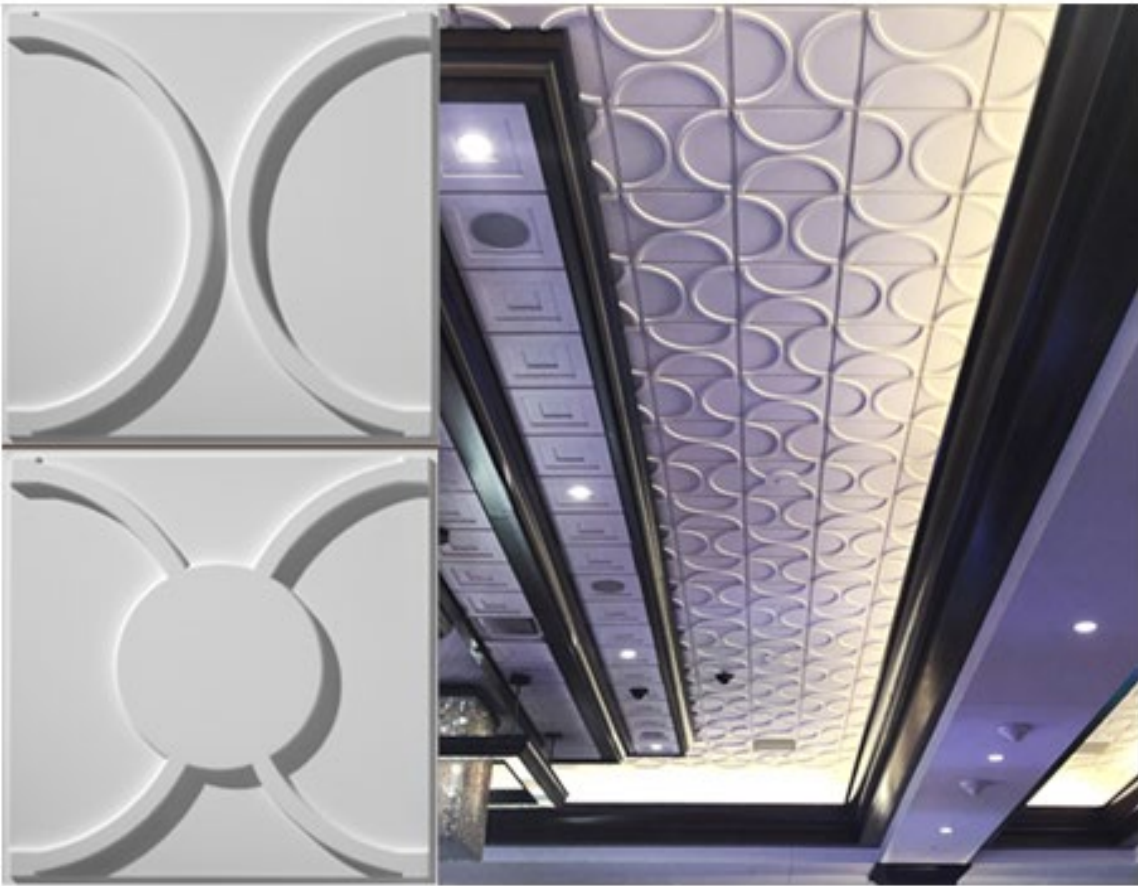

With endless pattern possibilities, the [Cloverleaf Series](#) is a versatile geometric option for contemporary spaces.

[Cloverleaf Flat Center Ceiling Tile](#), TL-0084, shown above and right, is arranged in a linear repeating pattern throughout the Garza Blanca Resort in Los Cabos, Mexico. The circle motifs in the ceiling reflect the carpet design in this modern space. The tile's flat center is easily cut for utilities.

Shown below at the Horseshoe Casino in Baltimore, the [Cloverleaf Ceiling Tile](#), TL-0083, and Cloverleaf Flat Center (only used for utilities in this design), are rotated in an undulating pattern that also mimics the "horseshoe" theme. They are arranged alongside [Step Up 1.2.3 Ceiling Tile](#), TL-0085 for a dramatic effect.

Featured Project: Meridian Hills Country Club

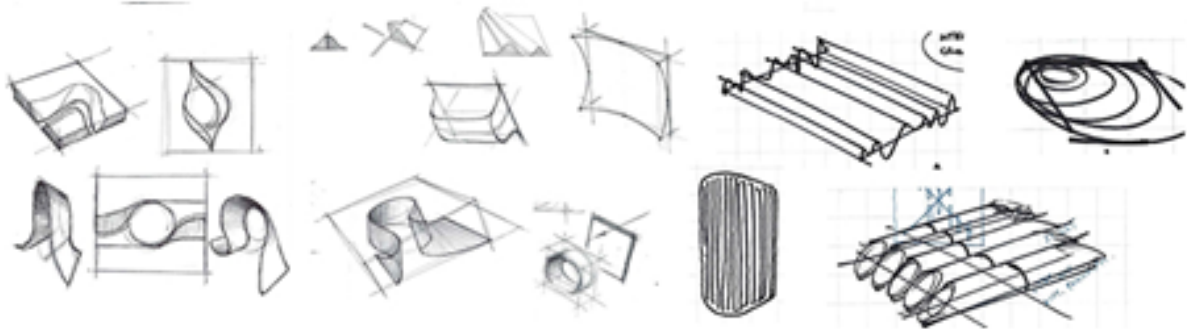

The refined look of [Classic Panel Ceiling Tile](#), TL-0002 (above) in a rich, dark gray finish adds a cozy, casual feel in Bogey's Bar at the Meridian Hills Country Club in Indianapolis, IN.

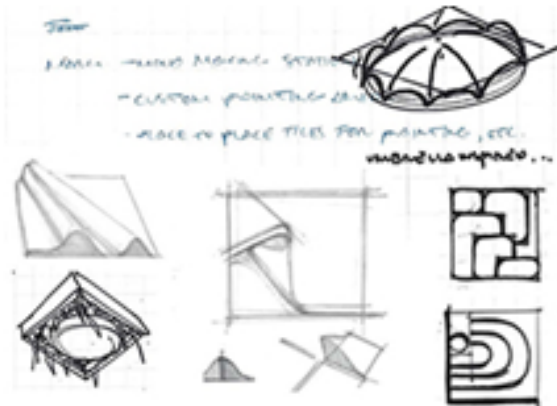

A light gray finish (left) on the ceiling of the club's Hearth Dining Room exudes an airy, elegant aesthetic. The grid in both rooms was painted to match the custom tile colors for a cohesive look.

If you can dream it, we can make it!

Have a vision of a custom ceiling design for ceiling grid? Above View's design studio has the capability to bring your idea to life using 2' x 2' ceiling tiles.

We welcome modern, classic and organic forms and textures. Dream up a faux finish or specify a unique color to complement your vision. Check out the [Customization](#) page for inspiration!
