NEWS AND VIEWS

Featured Project: Baylor Heart Hospital

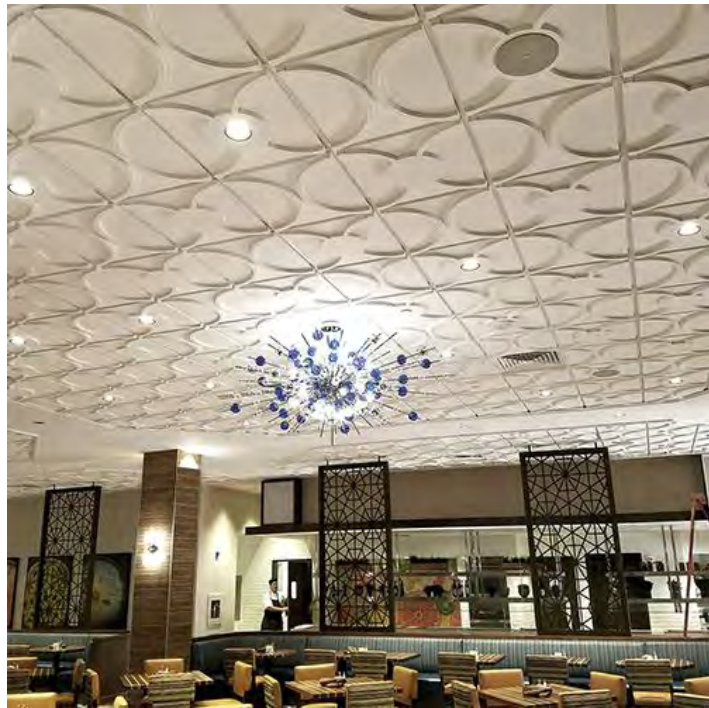

[Random Cube Ceiling Tiles](#) (TL-0004) sparkle in the Baylor Heart Hospital's physician's lounge in Plano, TX. The two tone Sunset Bronze [Finish Option](#) creates texture and depth with a faux bronze patina effect.

Featured Product: Cloverleaf

Together the striking contemporary [Cloverleaf Ceiling Tile](#) and [Cloverleaf Flat Center Ceiling Tile](#) create a circular pattern.

The lights, sprinklers and speakers were planfully located at the center of the [Cloverleaf Flat Center Ceiling Tile](#) for a clean solution.

This project is located at the Hard Rock Hotel and Casino's Marketplace Buffet in Atlantic City, NJ.

The [Cloverleaf Ceiling Tile](#) (TL-0083), running above the aisles, complements the carpet design.

In this instance the [Cloverleaf Flat Center Ceiling Tiles](#) (TL-0084) are only used where needed for down light and camera installation. Also note above View's [Step Up 1.2.3 Ceiling Tile](#) (TL-0085), flanks the Cloverleaf Ceiling Tiles and frames the light figures.

This project is located at the Horseshoe Casino in Hammond, IN.

Patterns for Inspiration

Arrangement of [Cloverleaf Ceiling Tile](#) (TL-0083) for a closed circle design.

Another configuration with every other [Cloverleaf Ceiling Tile](#) (TL-0083) turned 90 degrees creates a wavy look.

[Cloverleaf Flat Center Ceiling Tile](#) (TL-0084) features a "necklace" repeating pattern.

A "link" pattern created by combining [Cloverleaf Flat Center](#) and [Cloverleaf](#) ceiling tiles is shown above.

BD | NY
A BOUTIQUE DESIGN TRADE FAIR

Visit us at BDNY

Above View will be attending the [Boutique Design New York](#) trade fair in New York City on November 11 - 12. We are in Booth # 244. Please stop by if you are there!
