## A Celebration of Products Launched in 2021

---

Acoustics

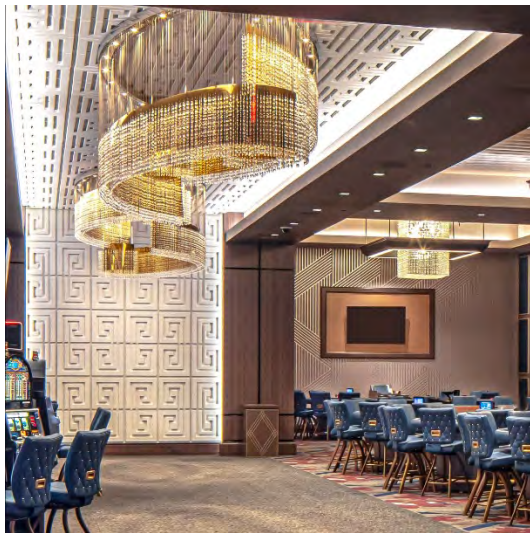

The [Hexagon Acoustic Ceiling Tile](#), TL-0215 can be customized with solid white or a bold color scheme to draw the eye upward with a decorative geometric flair.

A cutting edge ceiling tile series that reduces noise without compromising on beauty. This communal dining room features the intricate patterns of the [Crescent Path Acoustic Series](#).

---

## Signature Walls

The A and B patterns of [Greek Key Wall Tiles](#) offer many design possibilities, depending on their orientation. Featured here in a unique application from ceiling to wall.

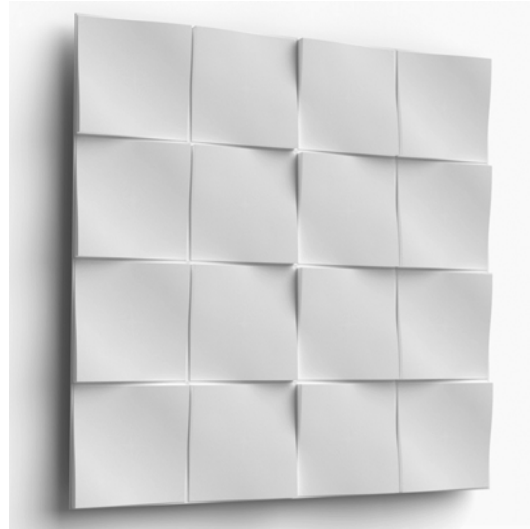

[Art Deco Wall Tile](#) epitomize sophisticated living and bring texture to a residential space. Installed from floor to ceiling throughout this contemporary interior, the panels bring unexpected depth to each bright and airy room.

---

## Zephyr Ceiling Tile

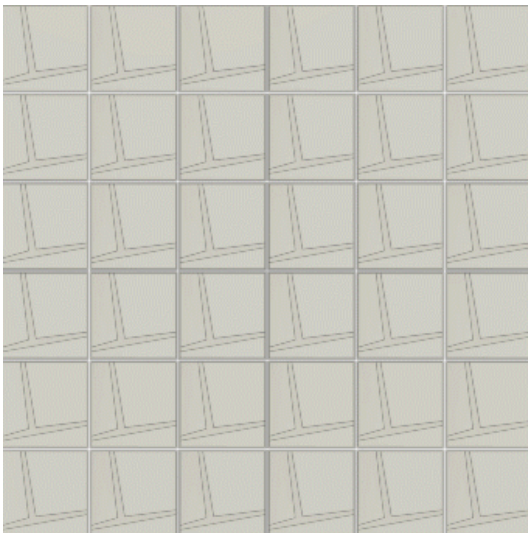

The [Zephyr Ceiling Tile](#), TL-0100 features a contemporary, undulating design that obscures the grid and creates movement across the ceiling plane.

This exciting new concept evokes forms found in nature. Varying orientation can transform the pattern from subtle ripples to dramatic currents.

## Coming in 2022: Elevations Series

A sneak peak of the Elevations Series:

Three tiles with bold shapes at varying depths and angles together create a dramatic ceiling.

This series includes a utility tile with an off-center horizontal plane designed to accept down lights, speakers, sprinklers, etc. that preserves the integrity of the design. Orient each tile in the grid for endless pattern possibilities!
